Progress in new form of government at St. Michael's

Robert Lansdale

A special event at St. Michael's Convocation on June 2nd was the conferring of the degree of Doctor of Laws, Honoris causa, *upon Cardinal Flahiff by Chancellor Pauline McGibbon.*

One year ago the Administration had hoped to announce that a new governmental structure had been adapted at St. Michael's. For one reason or another the new form has not as yet materialized. Perhaps it is just as well, since the step will be a fairly drastic one. It probably needs more reflection.

Two things need to be said once again: St. Michael's does not intend to give up its Catholic tradition; the priests and sisters of St. Joseph and Loretto intend to remain at St. Michael's.

Some meetings were held during the course of 1971-72, but no consensus was reached by all parties. The Collegium is determined that any future form of government must strengthen the outlook for the future. Perhaps St. Michael's more than any other Catholic institution in post-secondary education in Canada has complex internal problems. No doubt there is some solution for these and indeed there may be several.

On legal advice the Collegium has decided to present to the St. Michael's community a temporary plan which, if proven successful, will be adopted on a permanent basis. It amounts to the following: the present Collegium will continue; it will delegate all its powers to a Governing Committee retaining, however, the right of veto on particular matters. If the plan works, at the end of the trial period the Governing Committee will replace the Collegium. The Governing Committee in the first instance will consist of a membership of twenty-four; six nominated by the Collegium, six elected from the faculty, six from among the students and six elected from the alumni.

As this is written the plan has not been submitted to the St. Michael's Community. A subsequent Newsletter will tell you of the fortunes of the plan.

Spring reunion 1972 and 1973

Fred Dell, Elmhurst, Ill. with Mr. & Mrs. Fred Anderson and Fr. Kelly

Fr. McCorkell with Hilda Tumelty

Pat & Gordon Oatway with Wilf & Marie (Auger) Coutu

Marion (Sirdevan) & John Nelligan of Ottawa, Fr. Basil Sullivan, Margaret & Don O'Shea

The Spring Reunion continued an unbroken string of successes. The 1972 version equalled the very great success of 1971. Not all members of the featured years returned and the absence of those who did not come naturally kept the Reunion from being perfect. More letters expressing the satisfaction of those who did attend were received than in any other year. This note is an early advance warning to the Classes of 1913, 1923, 1933, 1943, 1948 that your year is 1973. The Reunion will very likely be held on the first weekend in June. Please begin to make plans now to have 1973 the greatest Reunion ever.

Governing Council

Along with other newspaper readers, Toronto alumni are generally aware that the former governing bodies of our university, the Senate and Board of Governors, have been replaced since last July 1 by a new fifty-member Governing Council. But is there any reason for alumni to be especially interested in this new governing structure of the University of Toronto?

One important reason is that alumni can now directly influence policy decisions at Alma Mater. Instead of merely increasing one's annual donation to express agreement, or witholding it and blistering the ears of some poor Varsity Fund telethoner to express disagreement with U. of T. policy, alumni now hold nearly one of every six seats on that Governing Council.

Your eight alumni members hold fourteen seats on the Executive and five Standing Committees of Council, where most of the university's policy recommendations will take initial shape. One alumnus is a chairman and one a vice-chairman of these powerful committees.

It should be clear that this is no mere window dressing, but rather a bold experiment in university government, inviting all interested parties to have their say in the formulation of university policy.

The first eight alumni members of the Governing Council were elected by a special electoral college established by the former Board of Governors upon the recommendation of the University of Toronto Alumni Association.

Many of their names would be familiar to readers of *Alumni News:* William Broadhurst (St. Mike's '51), Past-president St. Michael's Alumni Association; Ian Tate (Trin. '48), Past-president of the U. of T. Alumni Association; Walter MacNeill (Eng. Physics '46), Past-president of the Engineering Alumni Association; James Joyce (U.C. '34), Past-president of the U.C. Alumni Association. The Rev. Graham Cotter (Trin. '46); Keith Hendrick (Mech. Eng. '47); Mrs. Patti Fleury (Rehab. Med. '58); Gesta Abols (Vic '67, Law '71).

In addition to Bill Broadhurst, St. Michael's Alumni might be interested to know that Prof. William Dunphy ('48) was elected to the Governing Council by the teaching staffs of Victoria, Trinity and St. Michael's, and that Pres. John Kelly ('32) was one of the two appointees allotted to University President John Evans.

The Council held a series of informal, preliminary meetings in May and June before officially assuming its duties on the first of July. There have been three regular meetings of the full Council in July and two in August. These were mainly devoted to internal, organizational matters. The most important of these was the establishment of the number, size and composition of its committee structure. There are five standing committees, Academic Affairs, Planning and Resources, Business Affairs, Internal Affairs and External Affairs, which have begun to meet, organize and address themselves to the major areas requiring policy formulations.

A recent decision of Council extended the general principle of openness of its own meetings to include meetings of its committees, so that alumni may attend all such meetings unless they are declared to be closed by a majority vote of committee members.

Advance notice of all meetings, including agenda items and non-confidential documentation for them will be sent to the U. of T. Alumni Association. While it is said that "money talks", people do a better job and we'd love to see you participate.

Letters do work

Varsity Fund success demonstrates letter writing no lost art!

When Fr. Kelly wrote individually to some 7,000 alumni this Spring, there was real concern about changing the traditional format of St. Michael's Varsity Fund appeal. The full scale Spring Telethon, while attracting operating costs, had moved St. Mike's to an enviable position in its standing with other Colleges and Faculties on campus. No one wanted to upset the favourable trend of last year.

But innovation must be tried to cut appeal costs and ensure that your support is fully applied to the enrichment of St. Michael's programs and activities.

Your response to a straightforward appeal has been remarkable.

A number of you took the time to write or phone Fr. Kelly. Your comments were important. There was commendation which reinforces the main thrust of St. Mike's direction.

There was honest criticism which triggers soul searching and challenges specifics. Both constitute communication two ways between College and Alumni at a time when Alumni involvement in College Affairs is taking on an expanded dimension.

In financial terms your response supports the prediction that St. Michael's will top its 1972 Varsity Fund object of

1,800 participants
$55,000 in donations

To the end of July

765 alumni donated
$17,017 to St. Michael's Varsity Fund

$22 was the average gift

21 alumni donated $100 or more for the first time, joining the "Committee of One Thousand" in advance of the Fall appeal to alumni in this group.

To put 1972 over the top, your Varsity Fund Alumni team will be at work starting September to add:

Donors		Amount
895	Regular Donors	$19,690
140	"Committee of One Thousand"	19,600
1,035	Total	$39,290
765	Add to Date	17,017
1,800	1972 Forecast	56,307
1,800	Objective was	55,000

To achieve the objective a special St. Michael's Fall Telethon will be held on the evening of

Monday, October 16th

Bill Moher

New president of the Alumni Association

Bill Moher, the new President of St. Michael's Alumni Association, is a member of the class of 1949. During the past two years he has been Vice-President of the Association, and has served as liaison officer between the Board and the Development Office of the University of Toronto, a role which has, in practice, meant overseeing St. Michael's activities in the Varsity Fund campaigns.

Bill has been with Imperial Oil Limited since 1949. He has worked for the company in many capacities, in Regina, Edmonton and Montreal, as well as in Toronto. He is presently Wholesale Planning Manager.

His wife is the former Joan Brown '51. They have six children, three boys and three girls. His oldest daughter, Suzanne, is entering second year at St. Michael's, in residence at St. Joseph's College.

Brian Buckley chats with Sister Janet Fraser '54 at an Orientation party

Changes in Registrar's office

Father Hugh Mallon, who has been Registrar at the College from 1958-1961 and 1963-1972, has resigned this important and onerous office as of June 30th. He has been granted a year's leave of absence. He will continue as Vice-President, and will return as Professor to the Department of English in 1973. During Father Mallon's tenure of office, the enrolment of St. Michael's has tripled, and with the introduction of the New Programme in Arts and Science the complexities of the office have grown annually.

He has been succeeded as Registrar by Father Harold Gardner, who has been Assistant Registrar for the past two years. Previous to that Father Gardner has served as Librarian at St. Basil's Seminary, the Pontifical Institute of Mediaeval Studies, the University of St. Thomas in Houston, Texas, and at St. Michael's. A 1954 graduate of St. Michael's, Father Gardner received his Master of Library Science degree from Case Western Reserve. He will also be remembered as Instructor in Freshman Latin.

The new Assistant Registrar is Father Sam Bianco, well known to the more recent graduates of St. Michael's. A member of the class of 1962, Father Bianco is an historian and has been a don at St. Michael's for the past two years. He is the youngest priest on St. Michael's staff, ordained at Pentecost of 1972.

Fathers Gardner and Bianco will continue the traditions long established in the Registrar's Office at St. Michael's by their predecessors, among whom are some of the more famous names in St. Michael's history, Father E.J. McCorkell, Father B.F. Sullivan, Father Charles Lavery, Father Brian Hennessey, and the most recent incumbent, Father Mallon. Since all of these, with the exception of Father Lavery, are still at St. Michael's, the new Registrars will have at their beck and call the wisdom of tradition. Supported by such experience they will be able to face what may well prove to be a new frontier. Dramatic changes are happening in undergraduate education and a young and fresh team is at helm in this important post.

Faculty changes 1972-73

Professor Victoria Mueller-Carson, who has been the heart and soul of St. Michael's Department of German for so many years, has become Professor Emeritus. She will continue on St. Michael's staff in the role of Special Lecturer. Professor Mueller-Carson in her inimitable way has faced almost single-handedly and for many years the almost impossible task of keeping German Studies on the St. Michael's campus. She has been the architect of the present department, and retires at what is undoubtedly the most flourishing moment for German Studies in St. Michael's history. Her successor as Chairman of the Department, Professor Eckehard Catholy, has been named the Chairman of the Graduate Department of the University of Toronto. Professor Catholy will continue on the staff of St. Michael's. Professor Wolfgang Hempel has arrived at St. Michael's from McGill and will serve as Acting Chairman of the Department for 1972-73. Professor Hartmut Froeschle is on leave for the session and his place is being taken for the year by Hans Dierkes as Visiting Special Lecturer.

Professors John Meagher, Robert O'Driscoll and Elizabeth Moeslein are on leave for 1972-73 from the Department of English. Sister Mary Madigan, IBVM, will join the staff in English as Associate Professor and Mr. Sam Solecki as Lecturer. Professor Fred Flahiff has been promoted to full Professor and will be the Chairman of the Combined Department of English in the University of Toronto.

Father Donald O'Gorman and Professor Catherine Holmes are on leave from the Department of French. Father Charles Principe will join the staff in September. Miss Mariel O'Neill has become Mrs. Pierre O'Neill-Karch and is also promoted to Assistant Professor.

Mrs. Anna Dabrowski has been promoted to the rank of Assistant Professor in the Department of Classics.

Mr. Michael Vertin has been appointed Lecturer in the Department of Philosophy and will hold a cross-appointment in the Department of Religious Studies.

Professor Joseph O'Connell is on leave from the Department of Religious Studies.

Father Richard Schiefen has been appointed Associate Professor of Church History in the Faculty of Theology, and Father Norman Kolb has been promoted to the rank of Assistant Professor in the Faculty.

All St. Michael's graduates have borrowing privileges at the Library, so if you haven't done so already, please drop in and register at the Circulation Desk.

Father Laurence K. Shook has been proposed as one of the two Canadian delegates to meet November 20 - 30 in Rome for discussion between members of the Vatican's Congregation for Catholic Education and 45 delegates from Catholic universities and colleges in 31 nations. An important subject for consideration will be the question of academic freedom in theological research and teaching in Catholic institutions. This meeting is a continuation of a dialogue begun by the Congregation with the institutions in January 1969. Father Shook represented Canada at that time.

Canon law Congress

The Pontifical Institute of Mediaeval Studies sponsored the Fourth International Congress of Medieval Canon Law, August 21-25, 1972. The Congress of 150 scholars and some 25 guests held their meetings in St. Michael's College.

The opening session was addressed by His Eminence Cardinal George Flahiff, csb, by Father L.K. Shook of the Institute, and by Dr. Stephan Kuttner, president of the Institute of Medieval Canon Law, Berkeley, California.

The sessions, crowded with visitors from Europe and the United States, met with 30 Canadian scholars to discuss problems of current interest to historians and jurists in the context of medieval law. Prominent among visiting scholars were Alfons Stickler, prefect of the Vatican Library, Horst Fuhrmann, president of the Monumenta Germaniae Historica of Munich, Dr. Brian Tierney of Cornell, Charles Duggan of London and Canon Gerard Fransen of Louvain.

There were three days of papers and one day spent on a visit to Niagara Falls where luncheon was served to the delegates on the lawn of beautiful Loretto Academy.

The closing dinner was addressed by the Honourable Emmett M. Hall, Justice of the Supreme Court of Canada, whose subject was, "Canada: An Experiment in Diversity." Present for the address were Mr. Justice Bora Laskin, Mr. Justice Arthur Kelly, Mr. Justice William Donohue, Judge Michael Cloney and other guests from the legal and other professions.

Sister Bernard Tuffy.

God's in heaven – and with some new guests these Fall days. Among them is Sister Bernard Tuffy, who died on May 7. It is fifty years since Sister Bernard joined the French Staff at St. Michael's, with degrees, and high honours, in Modern Languages. In her thirty-three years of teaching, she gave her students the best she had – and a remarkable best it was – and demanded of them their best in return. About her teaching there was a kind of finished quality: good matter, well-structured, styled with precision and some wit; indeed, even the words with which she withered the slick or slovenly had in them something to cherish after chagrin had faded! Qualities of dedication and womanliness she had too, and these were especially evident in the years when she held posts of responsibility – Dean at St. Joseph's from 1935 to 1941, and Superior from 1950 to 1956.

Someone said of another great religious woman and educator that she had had "the mind of two men and a half." Those of us who have taught with, or been taught by, Sister Bernard know that this might well have been said of her. May she rest in peace.

On April 15th death came quickly and unexpectedly to Maurice King, Class of 1928. Though resident in Toronto, Maurice died in his home town of Stratford while addressing a public audience. Maurice had been mayor of Stratford before his appointment to the High Court of Ontario. Living in Toronto, he was a frequent visitor to the College, and had served since 1958 on the Senate of the University of St. Michael's College. He had also been a member of the Senate of the University of Toronto.
